Dear Ms. Powell:

On behalf of Keystone Substance Abuse Services, I would like to thank the Junior Welfare League for your hard work to make it possible for you to allocate \$19,000.00 to our outdoor project.

As you know, the funds will be used to convert our current residential outside area to a partially covered patio. Additionally, we plan to make improvements to our courtyard and the backyard to add a recreational area, covered picnic pavilion with picnic tables and outdoor cooking facility. These improvements to our facility will benefit many children and families in our community, and we greatly appreciate your commitment to helping us reach our goal of helping our youth have healthy, productive lives.

We are grateful for your dedication to Keystone and your contributions to York County and surrounding areas. Thank you for helping us continue to save one life at a time.

Sincerely,

A handwritten signature in cursive script that reads "Janet".
